The Love For Liam Foundation is hosting our 3rd Annual Liam Johnson Memorial Golf Outing and Benefit Dinner on May 10, 2024 to raise money for the Epilepsy Neurogenetics Initiative (ENGIN) at the Children's Hospital of Philadelphia (CHOP). Our mission is to raise awareness for pediatric epilepsy, raise funds to support research and treatment for genetic epilepsy, and to support families with children with epilepsy.

With your sponsorship, we can fund epilepsy research to find cures and targeted treatment for pediatric epilepsy. Thank you for your consideration.
